The Benefits of Geographical Names Standardization

Geographical Names Standardization

Are you in need of funding for the 29th UNEG N Session?

In order to determine the need for funding for participation in the upcoming 29th UNEG N Session in Bangkok, experts knowing they will have difficulty in obtaining funding are asked to inform the Convenor from the Working Group on Publicity and Funding, Peder Gammeltoft (e-mail: gammelt@hum.ku.dk) about their funding needs. Please state your name, work address and who has commissioned you as an UNEG N expert. If you hold any positions within the UNEG N structure, please state this also, and, most importantly, please state how much funding you need.

It should be stressed that neither the Working Group on Publicity and Funding, nor UNEG N have any funds of their own to support experts in need of funding for session participation. Therefore, there is no guarantee of funding. Instead, this survey is being done in order to obtain a picture of the funding needs so that relevant funding bodies can be approached.

Should funding be found for one or more persons to attend the 28th UNEG N Session, prioritization will be made at the discretion of the Working Group on Publicity and Funding.

Funding available for participants from the Francophone areas

We are pleased to announce that funding is available for 2-3 experts from the Francophone areas for participation in the 29th UNEG N Session. This funding has been made available through the International Organisation of the Francophonie (OIF). Applications should be addressed to Mrs. Élisabeth Calvarin (e-mail: e-calvarin@wanadoo.fr) as well as Peder Gammeltoft (e-mail: gammelt@hum.ku.dk)

Any person granted funding will be required to submit a report on the session attendance to the Working Group Convenor and the funding body shortly after the 29th Session.

Peder Gammeltoft

Convenor, Working Group on Publicity and Funding
